Make yourself a cup of tea and join us via Zoom to meet Annie Henley-Ashton, Learning Disability Adult Team Manager for Sutton Council. Annie will be talking about the support available to help with the impact of Covid-19 and respite and covering care for adults (aged 18+). We are also expecting to have a representative from the Council's Commissioning team so that you can feedback your experiences of respite care and explain the services you need to support you.

SPCF Steering Group members and our partners at Sutton Carers Centre will be there to help with any additional queries and hear about your experiences during this difficult time
